

Brain Power Enrichment: Level One, Book Two-Teacher Version Grades 4-6: A Workbook for the Development of Logical Reasoning, Critical Thinking, and Problem Solving Skills

By Reuven Rashkovsky

AuthorHouse. Paperback. Book Condition: New. Paperback. 260 pages. Dimensions: 10.9in. x 8.1in. x 0.7in. Brain Power Enrichment Programs aim to develop problem-solving abilities in students who wish to improve their skills. Additionally, the programs may provide challenging, stimulating and inspirational learning experiences through engagement with problem solving for gifted students. The Student Version book accompanies a Level One student through his/her second semester of the problem solving program (or it may be used independently as a problem solving workbook). However, this Teacher Version may be used by a teacher or tutor as it has, in addition to the content of the Student Version, short instructions for each lesson as well as answers to problems. All Brain Power programs are based on a step-by-step approach, which enables students to understand problems of increasing complexity. Level One begins to equip students typically in grades 4 to 6 with various problem solving strategies and techniques, and supports the application of these skills to math, language arts, study habits and the general learning process. In Level One, students are introduced to four critical steps in problem solving: 1) Understanding the problem 2) Defining a plan or strategy 3) Solving the problem 4) Checking the answer. The implications...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
