

The Past, The Present and To Come

By James A Wolfinger

Xlibris, Corp. Paperback. Book Condition: New. Paperback. 122 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. I am an 84 year old man with a great deal of history in my background. I left high school in tenth grade to sail on merchant ships during WW II. I worked my way through the engineering department from Fireman to Third Engineer. My brother was probably the youngest commander in the U. S. Merchant Marine. He was my mentor. After the war ended I went back to high school and on to teachers college where I received my B. S. in Education with a major in mathematics. I taught math for one year before taking a job at a major aerospace company. I attended Drexel Institute of Technology for three years. I accepted an engineering position at a major California Aerospace company. I then transferred my credit to San Diego State University where I got my B. S. in Mechanical Engineering. I have spent over forty years in aerospace industry some of the programs I worked on are the Atlas Missile Systems, Apollo Life Support System and numerous Space/Satellite Systems that were important to the defense of our country. In my later years after retirement...

Good e book and useful one. I have got read and that I am confident that I will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
