*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

HarperCollins Publishers, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. They re above the law and they re watching her every move.A compulsively readable thriller, perfect for fans of Mark Billingham and Peter Robinson. The lines between good and bad are indistinguishable.On the North Wales coast two people traffickers are brutally murdered; a drug dealer is mown down in inner-city Stockport and in a remote Pennine cottage a police informant is shot dead. Seemingly random, these murders are the work of one professional hitman. Reluctantly, Marie Donovan takes on another undercover role and finds herself working with DI Jack Brennan, a high-flying detective with a tarnished career. Soon, mistrustful of each other and their superiors, both begin to suspect that they are mere pawns in a complex game of criminal rivalry and police corruption. As Marie struggles to uncover the truth, she realises that nothing is as it seems. With every move, she draws the threat ever closer until ultimately the killer is watching Marie herself. Out on her own, she finds herself with no friends, no-one to trust and nowhere to hide.
