DRAGONFLY BOOKS, United States, 2013. Paperback. Book Condition: New. 250 x 196 mm. Language: English . Brand New Book. Lawn to Lawn is the subversively funny story of four lawn ornaments who, left behind after a move, travel across the country to find the little girl they love. As they make their way through cities and towns, over mountains and into swamps, a lawn jockey, a deer, a pink flamingo, and a garden gnome face menacing gargoyles and dangerous trash trucks and tackle the big questions--where they belong, and what home means. Dan Yaccarino s quirky tale of toys-come-to-life joyously reminds us that home is where the people you love are, and that no journey is too difficult to be with them.
