The Caramel Tree Readers Level 5 is a delicious series of leveled readers for children ages 9 to 12. With approximately 4,000 words each, the stories provide students the opportunity to expand their reading skills by witnessing character development and more complex plots. These stories expose students to fluent prose, including idioms and colloquial language as well as more complex grammatical structures. Brad has accidentally glued his book to the top of his desk. The teacher will be furious if she finds out! His friends try to help but every attempt to fix the problem makes it worse. Then, he thinks of the perfect plan. Blame someone else!
