There was then every ground for thinking that the Movement could not survive another such blow, and those among us who had consecrated to it the best part of their lives were in hopeless despair. Well! Our thoughts have been vain. The war, on the contrary, will have been for the co-operatives the test of fire--the test which in the Middle Ages caused so much suffering in order to establish the right--and they will come out triumphant. Why? Because the war has had the effect of revealing to the public, and to the government at the same time, what the benefits of Co-operation are. For the consumers, pressed by the high prices and by the scarcity of commodities, the co-operative stores have been places of shelter where they have come to seek refuge....
