Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The state of affairs of Franciscan literature at the present day is such as to cause some . hesitation in the mind of any lover of St. Francis who may feel moved to add to its already enormous bulk. Both the saint himself and the far reaching movement to which he gave rise have been treated from so many and so different Standpoints, and with so vast an expenditure of erudition and enthusiasm, that at first sight the field of research would seem to have been exhausted. And so far as actual biography-the consideration of the events of St. Francis life and the general character that they evidence-is concerned, it is clear that the three great biographies of M. Sabatier, M. Joergensen, and Father Cuthbert have left unnoticed nothing of importance to our understanding of St. Francis and his times. They are authoritative in the best sense, in that they combine a sympathy for the personality of their subject with a precise and profound knowledge of the yet discovered facts concerning him. To have attempted another biography, therefore, would have been both impertinent and superfluous, and in preparing this Study of St. Francis mysticism I have not attempted to cover again the well-explored ground. This being so, it may be well to prepare the reader for what I have attempted to do. It has long seemed to me that the literature which concerns St. Francis has been deficient in one respect, and that a respect which touches most deeply the reality of any presentation of him and therefore its value for the present day. At the side of the detailed biographies there have been offered to the reading...
