Brand New Book ***** Print on Demand *****.Excerpt from Historic American Trees Old Trees in their living state, are treasures that money cannot buy, wrote Walter Savage Landor. Treasures, indeed, though too seldom appreciated! Intimately associated as they are in many instances with our National life as well as with local events, much of the history of America is written in the story of her trees, living or otherwise, and can be traced through a study of the part they have played in connection with its development. Diving Links in the chain of human interests that spans the centuries, such trees possess a unique historic value, and should be carefully preserved. During the preparation of this volume, gratifying proof of the widespread interest in our subject has been received by the writer. From many quarters have come helpful suggestions and valuable material, and for this kind assistance she wishes here, to make grateful acknowledgment to the various historical societies throughout the country, also to the following individuals and books: Mr. James F. Sullivan, Mrs. Margaret M. Halvey, Managing Editor of The Starry Cross; Mrs....
