Dover Publications Inc., United States, 2000. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. With subtle chords of color and abstract ornamental forms, Gustav Klimt (1862-1918) created paintings that describe a neurotic and erotic world of figures trapped in a brilliant and bejeweled background. A founder of Vienna's anti-traditionalist art group, Sezession, he worked in a monumental style that stressed the importance of a flat surface and ornamentation. This splendid sticker collection presents 16 of his most famous works in miniature format, among them The Sunflower, The Kiss, Judith and Holofernes I and II, The Golden Knight, The Dancer, Adele Block-Bauer I and II, The Black Feather Hat, and 7 others. A strikingly original way to enhance letters, cards, and gift packages, these hauntingly beautiful stickers will delight art lovers and enchant admirers of this artist's work.
