

The Man Who Invented the Third Reich (New edition)

By Stan Lauryssens

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Man Who Invented the Third Reich (New edition), Stan Lauryssens, Arthur Moeller Van Den Bruck was a prolific writer, historian, art critic, translator and publisher; the quintessential Bohemian fin-de-siecle artist. In the turbulent years that followed the end of the First World War, he became politically active as the leader of the young conservative revolutionaries in Weimar Germany. Moeller van den Bruck expressed his ideas for a German authoritarian state in his major work *Das Dritte Reich* (The Third Reich), first published in 1923. Adolf Hitler was profoundly influenced by the ideas in *Das Dritte Reich* and regarded himself as the activist who could implement them. As Moeller van den Bruck watched Hitler become the personification of the violent dynamism he had recommended in his book, he anticipated the horrors to come and saw no way out but to commit suicide. This remarkable biography gives a compelling insight into the tragic life of Moeller van den Bruck and uses personal interviews with contemporaries such as Kafka, Munch and Dietrich to explore the political and artistic whirlpools of Weimar Germany in which he lived.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- **Prof. Kirk Cruickshank DDS**
