The Active Shooter Response Training Manual

By Scott M. Hyderkhan

Taylor & Francis Inc. Paperback. Book Condition: new. BRAND NEW, The Active Shooter Response Training Manual, Scott M. Hyderkhan, The modern Active Shooter Response (ASR) has continually evolved since its inception approximately a decade ago. This change is necessary to continue improvement on the ASR mission. The Active Shooter Response Training Manual provides police personnel with the skills necessary to respond successfully to any active shooter situation. Using established doctrine developed by the U.S. Army, this program is designed to help create, plan, and execute ASR training at the departmental level. The methods and protocols presented are applicable across all federal, state, and local law enforcement agencies. The book begins by describing the ASR operation in the format of an operations order. It categorizes threat levels, provides guidelines for action, describes the mission statement and execution of it, and addresses assets and equipment as well as issues related to command and signal. Next, the book explores: * Training principles and their utilization for developing a sound ASR training cycle * Movement formations for teams and squads, and the four phases of maneuver: find, fix, finish, and follow-through * Close Quarter Battle (CQB), and the principles of surprise, speed, and violence...
