*****.Red Notice by Bill Browder A 15-minute Summary

Analysis Preview: Red Notice: A True Story of High Finance, Murder, and One Man's Fight for Justice by Bill Browder is a unique story that blends biography, entrepreneurial business narrative, history, true crime, and a human rights crusade all into one book. Browder's grandfather was the leader of the American Communist Party. For Browder, going to business school and trying to be a capitalist was a good way to rebel against his liberal parents. After earning his master's of business administration (MBA), however, the standard post business school paths failed to inspire him. His grandfather had spent a lot of time in Eastern Europe and made a name for himself there. Young Browder thought if his grandfather could find fame and distinction there, so could he. Lucky for Browder, he graduated in 1989, the same year the Berlin Wall came down, leading to the end of the Cold War.
