Carlton Books Ltd, United Kingdom, 2004. Paperback. Book Condition: New. 2nd Revised edition. 192 x 128 mm. Language: English . Brand New Book. Sex and power, it is said, are inextricably linked. A president's sexual chemistry can be both his greatest weapon and his very undoing. Down the years many a president's political industry has been matched only by the fervour of his carnal pursuits. This irreverent history of the chief executive exposes the sexual appetites of the office's incumbents from the often less than puritanical founding fathers, right up to the excesses of the Kennedy White House, and the allegations that have rocked the Clinton administration. Now fully updated to include new revelatory material on Bill Clinton and George W. Bush.
