## Electronic Resource Management: What, Why & How

By Shiva Sukula

Ess Ess Publications. Hardback. Book Condition: new. BRAND NEW, Electronic Resource Management: What, Why & How, Shiva Sukula, The revolution of information and technology has been sometimes compared with the Gutenberg revolution, when the printing press harnessed a mass delivery system to the medium of the written world. It is a good parallel to draw for the impact of the Internet, but it undervalues the other key feature of the interactive computer - its ability to adapt. It can adapt its behaviour according to a person's input shows that it can be engaged with the knowledge process. The rapid advances in technology and knowledge revolution have made education a key to professional success; heightened the importance of research and innovation. In that way, e-resources have already been made available across populations without any discrimination. E-resources have brought new possibilities in to the classroom and research, at the same time they have placed more demands on same time they have placed more demands on teachers and researchers. The focus of new technology development has been directed on exploiting its e-resources to give access to the various departments of Higher Education; the equivalents of books, libraries, bookshops, broadcasting, films, television, etc., rather...
