Time Warner Trade Publishing, United States, 2010. Paperback. Book Condition: New. Reprint. 175 x 112 mm. Language: English . Brand New Book. There s a saying at Hollywood Station that the full moon brings out the beast--rather than the best--in the precinct s citizens. One moonlit night, veteran officers Dana Vaughn and Hollywood Nate Weiss get a call about a prowler who s been brutally attacking women. Meanwhile, a pair of cops with the surfer sobriquets Flotsam and Jetsam are on the lookout for a smooth-talking player in dreads and a crazy-eyed, tattooed biker. But something bigger, more high-tech, and much more deadly is about to go down. After a dizzying series of twists, turns, and chases, the cops discover that they ve stumbled upon a complex web of crime where even the criminals aren t sure who s conning whom. And for some of the men and women in blue, public duty will exact the heaviest of tolls.
