By Jennifer Galvin

Jennifer Galvin's activity books for children have been enormously popular because, unlike other activity books, these are designed specifically to teach children about their Catholic faith. And her latest one does just that. She has put together entertaining word finds, crossword puzzles, color-by-number puzzles, and crack-the-code puzzles that will teach children about Advent and Christmas, all the while emphasizing the real meaning of the holiday. An added advantage is that the activities are tied to the lectionary for all three cycles. The activities are clever and challenging and are illustrated with charming, inviting art work. The sheets themselves are reproducible and are aimed at children from kindergarten through third grade. Highlights: -- an attractive, reasonably priced book -- reproducible pages -- perfect for home, school, or church use -- tied to all three cycles of the lectionary This item ships from multiple locations.
