Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from World War Issues and Ideals: Readings in Contemporary History and Literature Every generation needs to be addressed in its own language. - Bosanquet For youth whose education begins upon a momentous day in history, when vast and cataclysmic political changes must needs influence educational methods as well, this book of essays, sketches, addresses, and state papers has been framed. Time-worn ideals and policies of every nation which had become permanent parts of their peoples character and established tenets of their constitutional life have been lifted by a great historical crisis into the foreground. They are being subjected to a searching examination by a majority of humanity to prove that they are worth the millions of lives and the billions of wealth that have been spent in their defense. It is especially necessary for American youth, the ideals of whose nation have been suddenly proposed for framing the basic principles of a world democracy, that they understand what is the best modern interpretation of those ideals, and what are the ideals of those nations whom we are to-day influencing and with whom we have been allied. A new program for a cosmopolitan education must be hereafter adopted. We must henceforth cultivate -to use President Butler s admirable phrase - the quality of international-mindedness. Experience of some years in instructing college youth, and at present young men in the United States Naval Academy, where, since the beginning of the World War, considerable attention has been given to the study of the underlying causes and the issues of that war, has bred confidence in the belief that in a book of the character here presented may be found...
