Samhain Publishing. Paperback. Book Condition: New. Paperback. 216 pages. Dimensions: 8.3in. x 5.5in. x 0.6in. If she's a tree fairy, how come he's the one with the wood? Detective Cheney Fisher is used to the back-of-the-neck feeling that tells him he's being watched. When attorney Pandora Jackson strides into the precinct, he's the one doing the watching and drooling. Her mile-long legs and fiery hair encase a sharp legal mind and a body he'd like to de-brief. Despite his effort to keep his powers on the down-low, Pandora knows that Cheney is uniquely qualified to solve her problem: evaluating a strangely unfriendly bit of evidence from a court case. But it's her instant attraction to the detective that scares her. Any loss of control and her powerful Fae ability could consume her, body and soul. A suspicious fire in Pandora's apartment drives Cheney's suspicion that she's being stalked by a very real threat. Bringing her under protection is the only option, even though proximity means there's no way to fight the searing passion erupting between them. Cheney's instincts are spot-on, though. A madman with a taste for unnatural selection has a plan for Pandora. The only way to fight it is trust themselves, their powers and each other. Warning: Refrigerate after opening. This book contains scenes of magic, illusion and scorching hot fairy sex. There are also a few murders, a super sexy cop, a giggle or two, and a tip of the hat to Mother Nature. It is, of course, fiction, but was written using 100 organically grown words. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
